

CLIPS PER CUCURBITACEE
CLIPS FOR CUCURBITACEAES
PINZAS PARA SANDIA, MELON Y PEPINO
PINCES POUR LES CUCURBITACEAS

Grafting clip made in silicone for medical use for cucurbits (watermelon, melon and cucumber). It is available in 2 different diameters and 3 heights, so this clip can adjust to any dimension and to every phase of the growth of the grafted plant; moreover, its peculiar transparency helps the grafting workers, which provides you with an excellent result.

CODE	CLIPS DIMENSIONS mm	HOLE DIAMETER mm	PACK pcs	PACK WEIGHT kg	PACK DIMENSIONS cm	Picture
